

Sponsorship Opportunities

For more than 30 years, Habitat for Humanity of Washington, D.C. and Habitat for Humanity of Northern Virginia (Habitat DC-NOVA) have served families across the region with the belief that everyone deserves a safe, decent place to live. Our work has helped hundreds of families build intergenerational wealth, strength, and stability by creating and preserving affordable homeownership opportunities.

Habitat DC-NOVA provides a unique sponsorship opportunity for organizations in our region. Habitat for Humanity is ranked as one of the most trusted brands in America, which allows us to provide brand awareness and visibility for our partners. We also have community engagement opportunities that bring your team together to help build a region where families can afford to live and thrive.

We would love to learn your philanthropic goals and discuss how, together, we can support local families to build a stronger foundation for their future through affordable homeownership.
